

MENLO JUNIOR COLLEGE
MENLO PARK, CALIFORNIA

October, ²¹~~20~~, 1943.

Kansas University

Lawerence, Kansas

Gentleman:

I am working on a project on basketball for my English class at Menlo School.

I would appreciate it if you would send me some information on basketball ssince it was invented at your university.

I also would like to have the history of basketball at your university and any information that you have on Dr.

James Naismith, the founder of basketball.

Will you please send this letter back.

Respectfully yours,

Bill Woods.

Bill Woods
