Nanuary 4, 1944

Mr. Ralph Ward,
Lawrence, Kansas.

Dear Ralph:

I want to thank you for your suggestion which you gave me at Rotary last Monday. I am acting on it and we hope to have something interesting come out of it. I appreciate your fine cooperation.

With all good wishes, I am

Rotarily yours,

FCA:AH

President.

January 4, 1944.

Mr. Russell L. Wiley,
Director of the Band,
University of Kansas.

Dear Mr. Wiley:

Again you did a swell job with your band, and the fact that you got Mr. David Lawson to sing The Star Spangled Banner put the very thing into it that we have been needing so long, and that is spectator participation in this very stimulating National Anthem.

I asked Ernie Pontius to say that we are in a war and each of us is participating; therefore, we ask you to participate in the singing of the National Anthem. Then I spoke to Corlett Cotton and said if we could get some band member to sing into the mike it wouldn't embarrass him because the lights are out.

When I heard this wonderful voice I was thrilled and did not even take my eyes off the flag, but after it was over I turned around and saw that it was David Lawson, and I yelled at him, "Marvelous! Marvelous!"

Now, can't we do this at each game? And with the conference games we will have the stage seated with bleachers and we will have a much bigger crowd. I believe it will stimulate real patriotism by spectator participation.

I always appreciate greatly your fine cooperation.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dr. Forrest C. Allen
Director of Physical Education and Basketball Coach
University of Kansas
Campus

My dear Dr. Allen:

I have your good letter, and also the one to David Lawson, which I have passed on to him.

We will have the singing each time for the national anthem, and I will ask Dave to come to the microphone each time. I too think it is a nice idea to have the people sing our national anthem at these two times.

Thank you again for your good letter; you are always so nice about such things. May I also express my appreciation for the lovely little Rotary calendar which you sent to me in the mail. It is a knock-out. The little Rotary Wheel around each Monday certainly will help us to remember that that is Rotary Day.

With best wishes for the remainder of the basketball season, I am

Yours very sincerely,

RUSSELL L. WILEY
Director, Band and Orchestra

Forrest C. Allen, Director
Department of Physical Education,
Kansas University,
Lawrence, Kans.

Dear Phog:

I should like to be in a position to assume credit for getting Washburn into the Kansas City games, but frankly I cannot do that.

The Athletic Board was in favor of the team's entrance and Dean Sellen was on his way to see the Commander at the time I contacted Dean Erickson. I will say that I spent the entire noon hour trying to get in touch with Erickson. When I finally reached him he expressed a keen desire to get into the Kansas City games and I am happy to know he succeeded.

Call on me any time I can be of service.

Cordially yours,

Hugo

Mr. Clifford Wade,
Lawrence, Kansas.

Dear Clifford:

I thank you for your letter of recent date. I assure you that your explanation is satisfactory and that I hold no personal animus toward you for not showing up. I just took it that you had too much on your hands at that time and missed connections.

In this great age of strife and turmoil where so many major catastrophies are happening I never hold these lapses as important. I appreciate your writing me. Mrs. Hulteen, my secretary, told me that you had been in a number of times and had missed me. You certainly have more than carried on your share of apologies for your failure.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.

CEW

Dear Dr. Allen.

After trying to reach you in person for the last four weeks I have resorted to this method to apologize for not showing up for your Dr-Yak act during homecoming. I wish to state that it was not done intentionally on my part and I am very sorry for what happened. It seems that there was a misunderstanding, that is with me, as to when I should get down to the bonfire. I had the impression that the act would be appear late on the program. Mr. Shenk just told me to be down there but as I recall I don't believe he told me it would be at first of the program. As it was I waited after the basketball game for one of the players I was with. We went immediately down to the rally but we arrived there too late for the act.

If I'd have known that I was suppose to be there earlier I assure you I would have been there. I realize how you must have felt since you were depending upon me to be there. That evening I called Mr. Shenk and explained to him and tried to get in touch with you Sunday morning but you weren't in the office.

since then I have tried off and on to see you in person, but we never made connections. I hope Mr. Shenk has already explained to you and has told you that I have been trying to get in touch with you. Because I am indeed sorry about the incident.

I hope this letter will be accepted as an appropriate apology.

Yours Very Truly

Clifford E. Wade

Mr. L. A. Wise,
207 West 6th St.,
Stroud, Oklahoma.

Dear Mr. Wise:

The shatterproof glasses that our boys wore in basketball were prescription glasses which we obtained through an oculist. The boys, of course, took the glasses with them when they finished school, and of course they would not fit anyone else.

I would suggest that you might get some eye glass protectors for the boy, such as are sold by the athletic goods firms. These are inexpensive in comparison to the shatterproof glasses, and fit right over the glasses much like a softball catcher's mask. If you have access to a Lowe & Campbell Athletic Goods catalog you will find a description of them, or you might write to the firm in Kansas City, if you are interested.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. Forrest Allen , Basket-ball Coach ,
University of Kansas ,
Lawrence , Kansas ,

Dear Sir:

I put in some spare time as assistant scoutmaster and coaching a boy's basket-ball team in the grade school here. I have two boys whom I believe will make real players . My own son , Don , is 13 , six feet tall and weighs 150 pounds , plays quite a bit of running guard . The other boy , J.T.Poskey is 14 , about 5foot, 10 inches tall an is extremely quick in starting an fast getting down the court. He is a natural player but has a serious handicap . He is near sighted and has to wear glasses to correct his vision .

A couple of years ago I was in Lawrence and as an old K.U. student I went to see your Jayhawks beat Denver U . I noted the fact that three of your boys wore shatterproof glasses taped to their heads during the game .

I wonder if you would have an old pair of unbreakable glasses for near sightedness which you would send me for the Poskey boy .

I assure you it would be a God send for the boy as he is a splendid athlete and determined to play whether he can see good or not . There are about six children in the family so that his father has plenty of expense .

Sincerely
L.A. Wise

REFER TO

PFC Frank L. Hoenig, 3rd., Hdq. Sqdn., 61st T. C. Wing

Subject:
Basketball game

To: Director of Athletics
University of Kansas
Lawrence, Kansas

Dear Sir:

Would your University team be interested in a scheduled or exhibition game with the Flying Eagles basketball team of the 61st T. C. Wing stationed at the Sedalia Army Air Field, Warrensburg Mo. sometime after the first of the year?

We would make the trip to your home court but find it more favorable to play on a neutral court say in Kansas City, Mo.

To date we have had a very successful season and at present are training rigidly for our forthcoming game Saturday, Dec. 11 with the University of Missouri which we feel will be our big test. A prompt reply would be appreciated.

Yours truly,
Pfc. Frank L. Hoenig, III

13 November 1943

Forrest C. Allen
Director of Physical Education,
Varsity Basketball Coach
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

We received your reply to our letter in regard to basketball games between our respective teams.

Our home games will be played preferably on Monday, Wednesday, and Thursday evenings on the Topeka High School court, which of course, is one of the finest in the country. However, if it is necessary that the Topeka game be scheduled on another evening, that undoubtably could be arranged.

Incidentally, our boys who are here from every section of the country, have all heard of "Phog" Allen and his Basketball teams and they are anxiously looking forward to these meetings.

Best wishes for a successful season.

Very truly yours,

Roy R. Anderson

Lawerence, Kansas

Dear Sir:

In regard to basketball games.

This station is intending to have a basketball team this season and if possible we would like to put your team on our schedule for two games one on each home court.

At present we are open for engagements on most any date, providing the games to be played here in Topeka fall on Monday, Wednesday or Thursday evenings. The games to be played on your court may be arranged for any evening from December 15th through March 15th at your convenience.

We would appreciate an early reply.

Very truly yours,

Roy R. Anderson

KC7-4941

Form PD-1A (1-16-43)

INSTRUCTIONS FOR PREPARING PD–1A—APPLICATION FOR PREFERENCE RATING

General:

Fill out PD–1A in triplicate and sign the duplicate copy in space No. 18 on page 3. Please type or print answers. Retain the triplicate copy for your files and send the original and duplicate to the nearest Field Office of the War Production Board, Ref.: PD–1A.

You must make a statement in each numbered space; either supply the information requested or write "None," "Not Applicable," etc.

A *separate* application must be made for each class or *kind* of material (or capital equipment) commonly supplied to you by a single plant, such as steel, electric motors, precision tools; also a *separate* application must be made for each *product* or each *use* for which such material (or capital equipment) is required; e. g., if you manufacture both motors and refrigerators, you must apply for ratings on separate PD–1A forms for switches to be used in each.

Before filing this form PD–1A application, you must be sure that you will not be violating the provisions of existing L and M Orders by acquiring the material or capital equipment on which you request a rating.[1] A willful violation of any of these orders constitutes a misdemeanor and the violator may be fined not more than $10,000 or imprisoned for not more than a year or both (Second War Powers Act, 1942, Sec. 2 (a) (5), P. L. 507, 77th Cong., 53 Stat. —.)

Definitions:

Applicant means person, firm, or corporation who has placed or intends to place order(s) for material (or capital equipment) for which preference rating is requested.

Supplier means person, firm, or corporation who has received, or will receive order(s) for which preference rating is requested.

Product means that which is produced from the material (or by capital equipment) or the service which is rendered by the use of the material (or capital equipment) for which rating is requested.

Material means raw material, semifinished or finished products, not including capital equipment.

Capital equipment means machinery, equipment, or other implement of production ordinarily acquired as a capital asset not for resale.

RESTRICTIONS ON USE OF PD–1A APPLICATION FORM

Applications by Distributors.—PD–1A may not be used by distributors, jobbers, wholesalers, or retailers except when requesting a rating for maintenance, repair, and operating supplies or capital equipment used in their own establishments. These persons *must* use PD–1X when requesting a rating on material purchased from producers for resale in the same form in which purchased.

Priority Orders.—PD–1A may not be used where adequate priority assistance has been made available to your industry under Priority Orders.

Applications for Project Ratings.—PD–1A may be used in requesting ratings on capital equipment only when no construction is involved. PD–200 *must* be used in requesting a rating for construction, construction and equipment, or equipment when construction is necessary in its installation.

Applications by PRP Units.—A manufacturer operating under the Production Requirements Plan may not use PD–1A applications except when requesting a rating on Capital Equipment where its installation does not involve construction.

Applications by Federal Agencies.—PD–408 (Governmental Requirements Plan) must be used by all nonmilitary Federal agencies requesting priorities assistance except where specific exemptions have been allowed.

Application for Material for Export.—Exporters or foreign applicants when filing a PD–1A in any of its permitted uses are not required to submit information requested under numbers 13; 15C, 15D, 15E, 15F; 16, column (E); and 17. Under question 4 give name of *consumer's* business, if known. If material is for export without further processing, application should be made on yellow PD–1A.

Priorities Regulation No. 3 as Amended Governs the Application and Extension of the Preference Rating(s) assigned by this Certificate. All of Its Terms Must Be Observed. The Following Instructions are Provided To Assist in Applying or Extending Preference Ratings.

(1) The preference rating assigned by this certificate may be applied by the applicant only to the kinds and quantities of materials authorized. In no event shall the contract or purchase order to which the rating is applied call for delivery prior to the required delivery date specified.

(2) The person to whom this certificate is issued shall retain it. He may apply, and each related supplier and subsupplier may extend the preference rating assigned herein to his purchase order(s) in accordance with Priorities Regulation No. 3 by executing and transmitting to his supplier(s) by endorsement on purchase order or other equivalent document, the following form of certification:

The following form of Certification is to be used as Endorsement on Purchase Order(s)
Do not fill in on this Certificate

SAMPLE CERTIFICATION

"The Undersigned Purchaser Hereby Represents to the Seller and to the War Production Board That He Is Entitled To Apply or Extend the Preference Ratings Indicated Opposite the Items Shown on This Purchase Order, and That Such Application or Extension Is in Accordance With Priorities Regulation No. 3, as Amended With the Terms of Which the Undersigned Is Familiar.

PREFERENCE RATING CERTIFICATE

The preference rating herein assigned does not constitute an exemption from any duly promulgated limitation or conservation order. The following rating is assigned to the items in the quantities quoted in number 16, column C, above:

Form PD-1A—(1-16-43)

13. List for the division or plant in which item will be used, the total dollar value of business by rating groups specified. Give actual orders scheduled for production during the next three calendar months, if possible. But if you are engaged in a "service" industry (such as hotels, cleaners, etc.) you may give for the last three calendar months dollar volume of sales or billings.

Rating	Use One Column Only		Percent
	Orders Scheduled for Delivery (*Dollars*)	Past Sales or Billings (*Dollars*)	
AA–2X and higher			
AA–3 thru AA–5			
A–1–A thru A–1–K			
All other (rated and unrated)			
Total			

14. List "P" orders under which this division or plant operates.

Order No.	Serial	Rating
P–		
P–		
P–		
P–		
P–		
PRP(PD–25A)		

If PD–25A Filed but Certificate Not Received, Give Date Filed:

15. If item(s) for which rating is requested is CAPITAL EQUIPMENT or will be used to REPAIR capital equipment, give following information.

(*a*) Explain use or relationship of item(s) requested to product manufactured or to service rendered, as stated in item 2 above.

Physical Training classes in required course for Army Specialized Training Program.

(*b*) Will the item(s) applied for be used

- ☒ To expand
- ☐ To repair
- ☐ To replace present facilities

(*c*) Do you now have any equipment of same type as that for which rating is requested in this application?

(1) ☒ Yes.

Make and Model No. Give Size Identification if Applicable	Age

Condition

Number of Units	Total Capacity (All Units)

Explain Why Additional Equipment Is Needed

Winter term necessitates indoor classes

(2) ☐ No.

Explain How You Now Do the Work for Which You Require the Equipment Applied for

No ASTP classes held with use of mats.

(*d*) If item(s) will replace present equipment, what disposition will be made of replaced equipment?

(*e*) Give present number of employees in plant ☐ or office ☐ in which this equipment will be used.

First Shift	Second Shift	Third Shift

(*f*) What will be the average weekly use of requested equipment in hours?

48 Hours

Estimated life of this type of equipment with such use:

1 Year

December 6, 1943.

Mr. Henry Werner,
Men's Adviser,
University of Kansas.

Dear Dean Werner:

I am submitting your letter to our Rotary Board of Directors, asking for some definite action. I saw David L. "Scotty" MacFarlane, former district governor and the custodian of the $200 fund, last Thursday night when I was master of ceremonies and he was the speaker at the Lawrence High School football banquet. I definitely told him what Ambrose Johnston had done and in no unmistakable terms I characterized the action of the fellow.

I expect to follow this through and let Johnston know that what he did was not cricket, let alone Rotary practice. You will hear from me later.

Very cordially yours,

FCA:AH

President.
