Athletic Director
University of Kansas
Lawerence, Kansas

Dear Sir:

In regard to basketball games.

This station is intending to have a basketball team this season and if possible we would like to put your team on our schedule for two games one on each home court.

At present we are open for engagements on most any date, providing the games to be played here in Topeka fall on Monday, Wednesday or Thursday evenings. The games to be played on your court may be arranged for any evening from December 15th through March 15th at your convenience.

We would appreciate an early reply.

Very truly yours,

ROY R. ANDERSON
1st Lt. Med Adm C
Special Service Officer
