Mr. H. B. Willis, Principal,
Winchester Rural High School,
Winchester, Kansas.

Dear Principal Willis:

Our game with the University of Missouri at Lawrence will be on Saturday night, February 26th.

Our team dresses about 6:30 or 6:45, and if you and your team would like to meet us at the side door of the Auditorium when we go in we would be very happy to take you in with the team.

It will be a pleasure to see you and your boys if you find it possible to come over for the game.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
