Lawrence, Kansas.

Dear Mit:

Mrs. Mary Neustifter, the chief operator here at the University for several years, has made application at the Sunflower Ordnance Works for a position as operator in charge of telephone service, and she has never heard a word since her application was filed.

I wish you would look into her application and let me know whether or not it has been considered. Mrs. Neustifter is very courteous and polite, and has rendered fine service here at the University.

Let me hear from you concerning her application.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
