

April 8, 1944.

Mr. Les Warren,  
Supervisor of Recreation,  
Kansas City Public Schools,  
Kansas City, Missouri.

Dear Les:

We are building some concrete tennis courts and I would like to know concerning the lighting. I take it that you would know the most approved methods of lighting.

I will thank you for any information that you can give me as to how the lighting is done to secure the best results. Is the wiring in conduits underneath the tennis court, or do you light from either end? I would appreciate a reply at your convenience.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
