Mr. F. C. Allen, Director of Physical Education  
Kansas University  
Lawrence, Kansas

Dear Professor Allen:

Floyd Santner, an ambulance driver at the Sunflower Ordnance Plant is also a student at the University.

Floyd tells me he is taking sixteen hours of college work. In addition to that he is working eight hours an evening four days a week, and six hours a week two days a week.

He is a valuable employee here at the Plant, and we do hope that you will see fit to not increase his schedule.

Thank you for your consideration in this National Emergency.

Sincerely
