- well intended letters of mine
may corrupt, in your mind, the
idea of sincerity. Refer quickly
to the "sole means" with which
I have to inform you of my
election — an epistle per often
moves in wild directions, but
I trust, in my case, not often so.
For the space of one
brief paragraph I ask for your
close attention.
Supply me with
counsel on the following question.
"In what manner may post-war
