Dr. C. W. Asling,
Department of Hygiene,
University of Kansas.

Dear Dr. Asling:

I am enclosing herewith the list of students in Dr. Morehouse's class, Personal Hygiene and Community Health, in our Department of Physical Education. Dr. Morehouse has also indicated the amount of work done so far in the class, and the rating of each student.

As you doubtless know, Dr. Morehouse has been called to active service in the Navy, and we have made arrangements with Dr. Canuteson for these students to go into your course in the Department of Hygiene.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
