Dear Phog:

Today's issue of 'YANK' - our  
weekly paper in "Merio England" - carried  
your picture and a story of your  
effort to put over the 12 foot basket rule  
- and of course it was good to see  
you again and thus review and pleasant  
association of the past.

There is much I would like to  
write but censorship being what  
it is, my hands are tied. Am  
still with the same outfit - 21 months  
now. Frank McCarvish (Lt. Col) of  
Minnesota Univ. is my immediate  
'boss'. Wife spent the winter here  
in the land of Spain - can't say I'd  
trade this island for any part of the  
U.S. where the sun shines! Lots of  
interesting places in London where I've  
visited a half dozen times. Hope this  
finds you well. My regards to Mrs. Allen.

*As ever*  
*Ray W.*
