Dear Dr. Allen:

Have arrived in England safely, and had a very nice, but uneventful trip. It was a great feeling to receive your ever faithful Jayhawker Rebounds since it is the first bit of news I have had from the good old States since leaving. I was fortunate enough to be able to travel through Scotland and Wales before arriving at my present destination. My present job here in the Hosp., is circulating technician in the operating room. Our Dr. are sure doing a wonderful job with the cases they are confronted with. This small letter is a very poor return for the wonderful letters you send us, but will let you know I am still counting on the day when I resume our studies in old K. U.

As Ever, Hazel Wise
