Dear "Phog" Sat am -

I have just received formal papers back from Chicago Naval Dist - and have talked to Lieut. Com. Kate Young here.

It seems that I must enclose among other credentials and information in a transcript of 2 years college. Seems rather unimportant after all these years - particularly in view of experience and professional ability for the job I am fitted to do for them. But this is red tape regulation - and seemingly the file must be complete - so I would greatly appreciate it - if Mr. Woodruff would fix me up with this necessary transcript, signed, sealed, etc. - so as to comply to this requisite.

As mentioned to you prior
