Dear Phog:

I shall never forget your kindness in writing the letter of testimony for me when I applied for my commission. Not only were you kind, but you were also most generous.

Soon I will be off to Washington. But I trust that it will not be too long before I see you again. In the mean while I'll be remembering you -- and how.

Thanks indeed and best wishes.

Cordially and Sincerely,

Neal M. Wherry
