A Special Message to  
Our Preferred Customers -

Dear Friend:

Recently, as outlined in our letter of October 5th, the manufacture of AMERICAN Approved Playground and Swimming Pool Equipment was curtailed by order of the War Production Board.

You may recall, however, that we were permitted to assemble the raw materials then in our inventory - up to the limiting date of November 3rd; and, the WPB Iron and Steel Limitation Order did not prohibit the manufacture of essential REPAIR PARTS for our equipment.

Accordingly, we immediately worked up into finished, assembled units the materials on hand; and, we have in stock a limited quantity of the following AMERICAN Apparatus available for prompt shipment -

Playground Equipment REPAIR PARTS  
CASTLE TOWER Climbing Structures  
American Approved BICYCLE RACKS  
Standard AMERICAN Swing Sets  
Type-C and Type-B SEE-SAW Sets  
American WOOD Siderail Slides  
Painted Finish FLAG Poles

Pool Equipment REPAIR PARTS  
Several OFFICIAL Diving Units  
Regulation Diving Boards  
AMERICAN Springboard Outfits  
A few Steel Pool LADDERS  
Fulcrums - Frame Fittings  
AMERICAN Cocoa Matting

plus a number of our AMERICAN Merry-Go-Rounds, Wave and Giant Stride Outfits, Horizontal Ladders, Park Settees and Picnic Grills.

You will find our moderate, nationally advertised prices for the above units clearly stated in our current #30 Playground and #SP-19 Swimming Pool Equipment Catalogs, for materials f.o.b. our factory. TERMS: 5% Discount if full remittance accompanies your order.

If your present or anticipated AMERICAN Equipment needs are to be supplied from our limited inventory, we suggest that you mail your order in to us NOW, on the convenient order form enclosed - so that we may be able to serve you to the very best advantage.

Many thanks, in advance!

Sincerely,

Warren P. Miller, President  
American Playground Device Co.
