Mr. Oscar Wolf,
3290 Sixth Avenue,
San Diego, California.

Dear Oscar:

Thanks for your kind letter. Frankly, I was honest in my prediction. The team was going terribly and had internal troubles, but we ironed them out on the eastern trip. We have been clicking pretty well since that time.

I am sending you a schedule and listing a couple of the games we do not have on the schedule.

With all good wishes, I am

Sincerely yours,
