

ARMY AIR FORCES  
ADVANCED FLYING SCHOOL

Dear Sirs:

I am having a hard time, trying to convince a bunch of soldiers from New York, that K.V. is rated among the best Basketball teams in the Country. All they know, is Eastern teams. It would help, if your dept. could send me the records of K.V. for the last five years. I also told them "Phog" Allen is one of the best coaches in Basketball. It is hard for one Kansan, like myself, to tell this bunch of "Brooklyn Bums" anything without proof.
