Dear Phog:

Thanks a lot, friend. The job's a tough one, and it'll take all I have-- and maybe more. But I'm going to do my best. The old pull of sports--college and prep sports--remains as strong as ever though. And I am still as deeply interested as ever in the Big Six--and always will be.

Best wishes to you in all things, and to your current crop of Jayhawkers in the rest of the season, when it appears, they'll go pretty abruptly from the campus to the war. The war comes home as we read about the kids we knew as Big Six boys. It makes us realize that we who do not fight must do all we can for them.

Always sincerely,

Fred Ware
