Kansas City, Kansas.

Dear Lyle:

I took the check made payable to me to our Mr. Earl Falkenstien, who will send you five tickets to the Nebraska game to be played on October 31.

I imagine you are about as busy as we are here with our physical conditioning course which takes in all the boys subject to draft or reserve status. We really have a job on our hands. Then of course we are teaching our regular class subjects and the war has added a lot of administrative duties. We are busy as the dickens, but happy, and physically pretty well.

Why don't you and Mrs. Weeks stop by the house after the Nebraska game and say hello? We live at 801 Louisiana Street, and would be mighty happy to see you.

Thank you for your good wishes, and we reciprocate in kind. We will stop by if we are ever together and in our car, but I have been riding a bicycle and we have cut out most of our trips.

Lots of luck, Lyle, to you and the Mrs.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
