

AMERICAN RED CROSS

May 16, 1943

Dear Dr. F. C. Allen:

This is Bill -

your friend, reporting a personal message of his safety - good health. I include my best wishes for the best in happy health, and congratulate the Big Six Victory. I hold, in my powerful memory, much that is fine and pleasing - inspiring from my dealings with Dr. Allen. Time nor adverse feelings can alter the esteem I have given to you. I hold, that it wouldn't be good sportsmanship for me to forget the one man who followed my ambitions with rendered confidence and material assistance. But there is something strange in me than mere ideals of fair play - it is a knowing that somewhere there is

"To furnish volunteer aid to the sick and wounded of armies..." and "To act in matters of voluntary relief and in accord with the military and naval authorities as a medium of communication between the people of the United States of America and their Army and Navy..." The Charter of the American National Red Cross. By Act of Congress, January 5, 1905.
