Mr. Sheldon Wingerd,
Doniphan, Nebraska.

Dear Shel:

I was very happy to have your letter of the 7th instant and it will be a great pleasure for me to say some highly satisfactory things in your behalf. You may count on my fullest cooperation. Mit and I often talk about you. He is very fond of you and I find that I can go along with him in this regard very nicely.

I remember Mrs. Allen told me that she had a talk with you over the phone, and Mit was pleased with your visit in his home.

I imagine that you had quite a talk with Ham Beresford's brother. Yes, I knew Ham very well. We played him at Boulder and then he came down to play us here in Lawrence in a series of games. Ham is a fine fellow.

I saw Kenny Sailors play in Kansas City and I thought he was an exceptional athlete. I know it must be a source of gratification to you to know that you had one chap on your junior high school team, and the fact that you can still lose him and come through with an undefeated season added pleasure to your chore.

With all good wishes for your continued success, I am

Sincerely yours,
