Dear "Doc":

Thanks for yours of the 17th and I am glad you have decided to use the better gym pant as we will have a complete stock on this number after Sept. 1st, so you can obtain fill-ins as you need them and they will all be uniform.

The boy which I mentioned to you on the phone the other day is Carl Kopelk, McPherson High School, McPherson, Kansas.

He has a fine personality and appearance and would be a real addition to you Dept. I am sure that you know him as he has been officiating both football and basketball games in the Big Six for the past two or three years.

I am writing him that should he hear from you to give your proposition serious consideration.

Thanking you for your nice favors and with kindest regards, I am

Yours very Truly,

Bud Widick
