Physical Educa. for Women  
Kansas State Teachers College  
Pittsburg, Kansas

Dear Miss Wootton:

I am sorry that the rush of administrative work and Varsity basketball practice has kept me from answering your kind favor of November 8.

I feel that your program plan is very interesting, but I am not sure that I could suggest someone in Topeka, Kansas who would fill the bill. Would it not be better to draft them from Topeka rather than from small towns around.

Perhaps Mr. Mark Dramer, the Secretary of the Chamber of Commerce in Topeka, would be a valuable man to suggest some names, or Mr. E.A. Thomas, the Commissioner of the Kansas State High School Activities Association, might help you. Also Mr. Van Slyck, the Principal of the Topeka High School could probably offer some suggestions.

We have a number of very young and promising people in the field: Dorothy J. Willcuts, one of our physical education majors who is teaching in the Junior High School here in Lawrence, and whose home is in Topeka, would make a very excellent speaker; also Maurice Cannady, who is another one of our star physical education majors teaching in the same Junior High School. These two people would be splendid.

If I can serve you further please command me.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
