My dear Prof.

I was very sorry to receive your letter this morning, & I want to thank you for the interest you have shown in Fred. I can assure you I do appreciate it.

Not knowing the the customs of the Campus it makes it a little hard to correctly interpret the item, but will surely make inquiry of Fred.

was down to get Fred Thautsgering but was only there long enough to pick him up, so was unable to get in touch with you. Really wanted to talk to you about several matters but my time was too limited.

With best personal regards to Mrs. Allen
Fraternally,
F. E. Wrightman
