Dear Webb:

I was mighty happy to have your good letter of the 25th instant, and you can rest assured that had I been in a position to attend such an occasion I would have been there.

I received a letter from Major William Brady, who was stationed here at the University before he went to Hawaii, and he wrote me that he had a man in his outfit named Tom Woodward who was from the University of Kansas. I did not know that Tom was located there.

I knew Major Brady when he was a mere tiny tot in Independence, Missouri. In fact, I lived next door to him when he was born. The Bradys are fine people and I am very fond of them.

I wish for you and yours a happy Holiday season.

With all good wishes, I am,

Fraternally yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
