Dear Forrest:

I regret to advise you that there is not a single seat available for the Northwestern-Notre Dame Game on November 23rd. I had a few set aside but they were pounced on by the President and members of the Board of Trustees.

I wish that I could help you out on this, but we have been sold out for over a month, and we have turned back some 10,000 orders.

We have a couple of tough ones left, but the boys are going good.

With best regards, I am

Very truly yours,

K. L. Wilson
