Mr. Kenneth L. Wilson
Director of Athletics
Northwestern University
Evanston, Illinois

Dear "Tug":

Mr. Pat Westerhouse, one of our students here at the University of Kansas, desires to purchase a ticket for the Northwestern-Notre Dame game. He dropped into the office and asked me to make inquiry regarding the price. Will you please inform me what the price for this game is, including mailing charge for the tickets, and we will be glad to forward you that amount.

I saw the Northwestern-Minnesota game last Saturday and believe me it was a thriller. Northwestern really deserved to win. I was sorry I did not get to see you after the game.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
