Dear Mr. Allen:

I thank you for your letter commenting on the value of our Life Protectors, and I know that if you are satisfied with them you will not hesitate to mention it to some of your many friends and acquaintances. In doing so, I am sure you would be doing something worth-while for your friends and something that Roger Allen and ourselves would appreciate.

Again thanking you for your letter and your expression of confidence in the value of these Life Protectors, I am
