Mr. Forrest Allen,
Lawrence, Kansas.

Dear Mr. Allen:

Some time ago I lost my
billfold with my identification
cards. Some of them, of course,
I can replace and hope to do so.
I very much desire my 'K'
ticket for it is something I believe
is nice to have.

I wonder if you could
have one made for me and
forward it to the below
address. I would very much
appreciate it if you would.

I was very happy to see
Kansas pull a couple out of
the bag, especially against
the aggies.
