Mr. J. J. Wilson, Manager,
Rapid Transit Company,
Lawrence, Kansas.

Dear Mr. Wilson:

Thank you very much for sending me the bus ticket and schedule. I appreciate your thoughtfulness, and on inclement days I shall be most happy to ride a bus. I have put up my car, except in emergencies, for the duration, and am riding a bicycle. But I am sure there will be days when it will be more convenient to ride a bus.

Very sincerely yours,
