

WILLIAM C. MARTIN, Bishop of the Omaha Area of The Methodist Church, and E. F. Buck, Superintendent of the Ottawa District, join in extending an invitation to you to attend a complimentary Ottawa District dinner at 6:30 Tuesday, March third, 1942, in the First Methodist Church, Ottawa, Kansas, given in honor of THE WESLEY FOUNDATIONS, for which the Kansas Conference has given authority to initiate and carry through a Forward Financial Movement in their behalf.

We, therefore, cordially invite you to meet with us and other leaders in this District to consider together some of the plans for the future enlargement of the service and equipment of our Wesley Foundations.

We will then be able to give both local and Conference-wide opportunity for financial support, as well as the enlistment of others in securing the same consideration for these fine, Christian Leadership Training and Character Building Agencies for our Methodist Youth enrolled at the tax-supported schools.
