Mr. Max White,

Lyons, Kansas.

Dear Max:

As I have it planned now I will drive to Lyons because I have morning classes up until 12:20. I will get away soon after that and will arrive in ample time. Thank you for putting off the time as late as you did. I will look you up as soon as I get to town.

If I should change any plans and decide to take the train I will call you, but I believe now that I will go through with the aforementioned plan.

Awaiting the pleasure of being with you, I am

Sincerely yours,
