Dear "Doc";

Enclosed is a clipping from the New Bedford, Mass Standard Times. It was of great interest to me and adds a little more pride in ye ole Kansas blood.

Needless to say, the boys and their coach must have done a wonderful job on Fordham at Madison Square, Missouri, and Oklahoma.

Power to you; and when you open up the season in Egypt, I'll be there rooting, win or lose.

Still trying to be a little Mil Intell lad. Hope your family are all in good health. My best sincere regards to all.

Fraternally,

*Andy or Becca*
