Dr F. C. Allen,  
Kansas University  
Lawrence, Kansas

Dear Dr Allen:

I notice by the Journal World that you had a program at Rotary based on popular music representing the last ten decades.

I would like to give such a program in the Woman's club, and wondered if you had the material you used for announcing the numbers. I am planning to use about the same songs that were used on your program, and would appreciate it if you would send me your introductory parts for each number.

Thanking you very much,

Very truly yours,

(Mrs E J) Evelyn G. Wilson
