Dr. Forrest C. Allen
Director, Physical Education Dept.
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

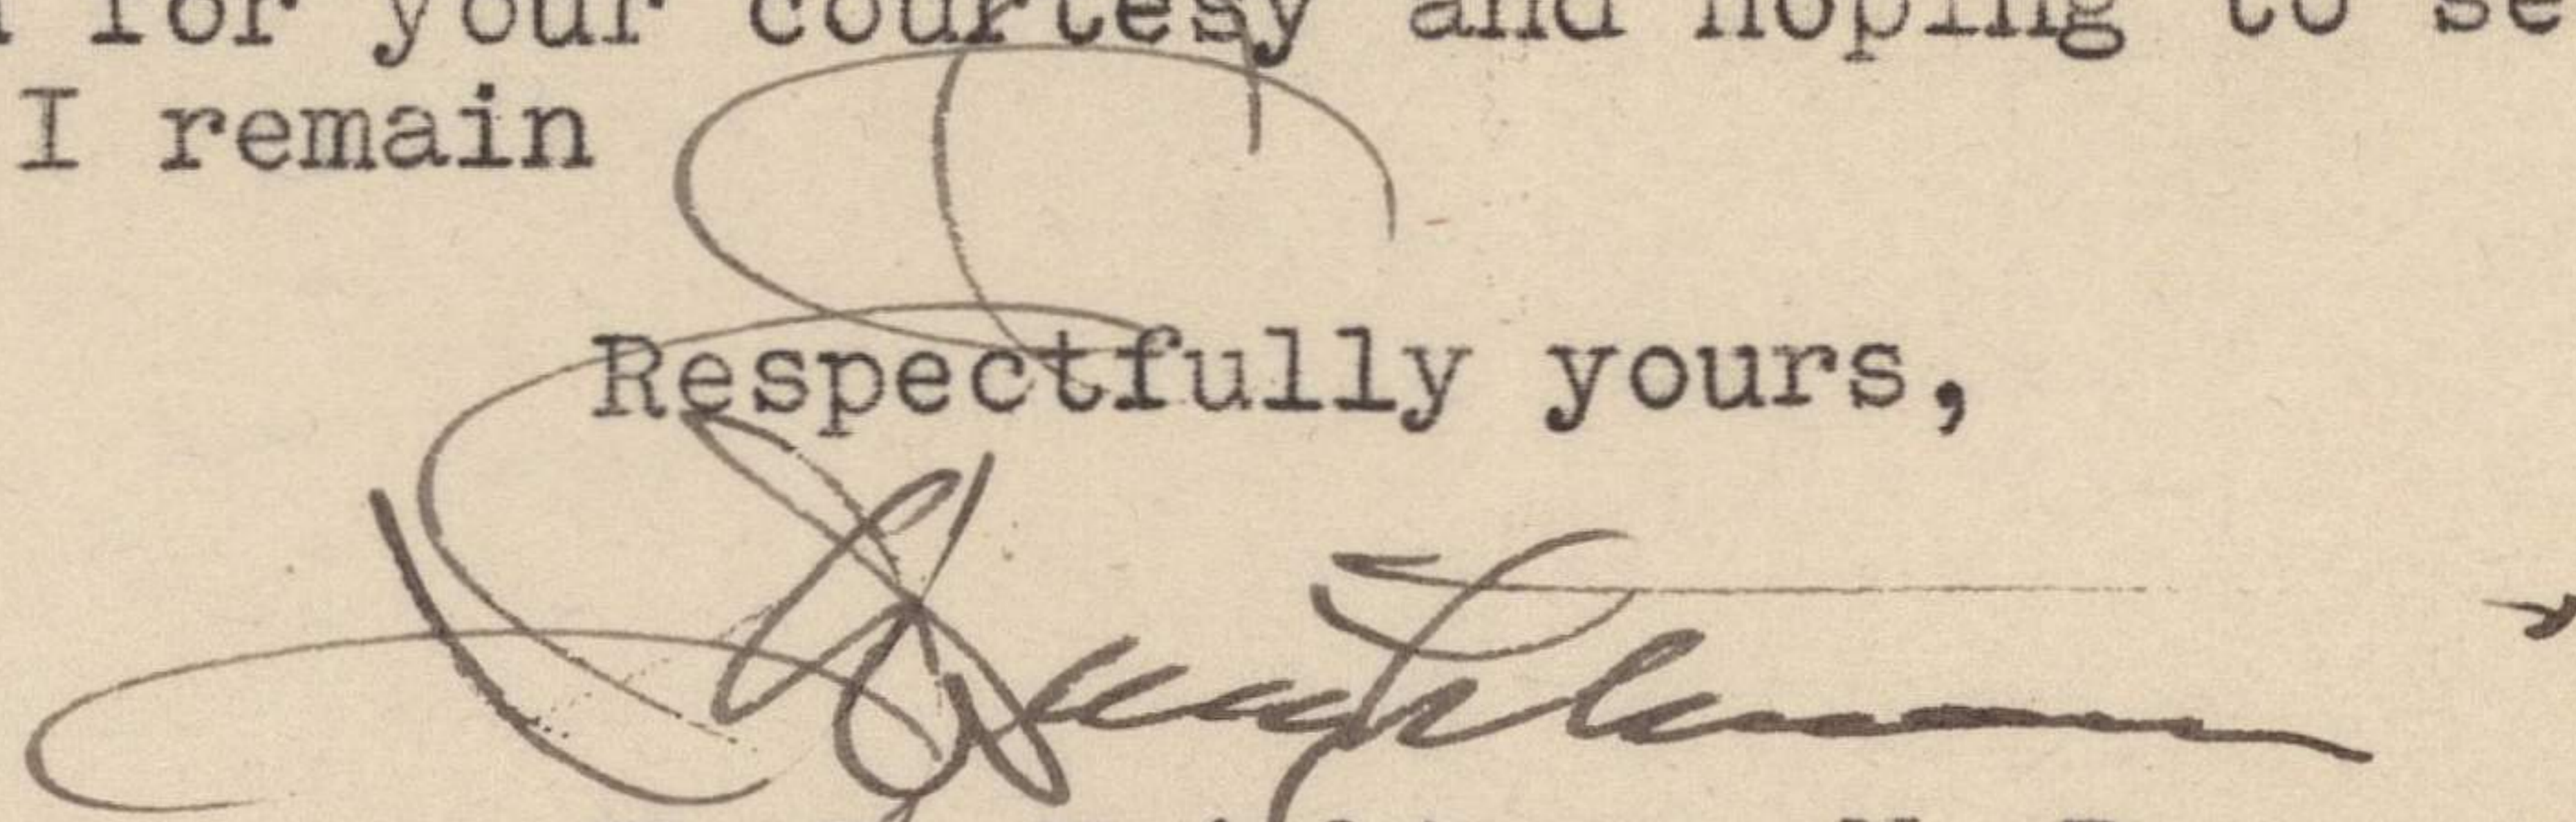

We appreciated very much your prompt attention in making inquiry regarding summer school. Rosalie has definitely decided to attend; so if it is humanly possible, we expect to be in Lawrence about 9 or 9:30 o'clock Friday morning.

It may be impossible for me to come along as I have so many things here to take care of. If an appointment can be made with Dr. Lawson around 10 o'clock Friday morning, I think it will be very satisfactory.

Rosalie has already made application for a room at Corbin Hall but as yet has had no answer.

Thanking you again for your courtesy and hoping to see you while in Lawrence, I remain

Respectfully yours,

F. E. Wrightman, M. D.
