Dr. Forest Allen
University of Kansas
Lawrence, Kansas

Dear Brother Allen:

Just want to call your attention to the fact that Dick Wohlgenuth, 401 South Fountain Street, here in Wichita graduates from East High this year, and is considering attending K. U. Having known the type of basketball player you are interested in since 1928, I believe Dick is one boy that would interest you very much. He is the son of Dr. E. A. Wohlgenuth. Dick is 6 feet $1\frac{1}{2}$ and will grow more. He is a member of the Honor Society, and is a nice clean-cut lad if I ever saw one. Have written the boys at the House regarding him.

Fraternally,

J. M. FitzGerald
SP
