I will appreciate this a whole lot and thank you.

National Bank of South Dakota, Sioux Falls, South Dakota.
This letter should be addressed to John A. Gamben, 208

8 11th Street, Sioux Falls.

Wrote you that you had at least some opportunity to know
and I have worked together a lot with you some good as if
before, maybe on the job, etc. The fact that with
concerning my work, being a paid worker, trying to meet
highest education department, and maybe you can say
more) the fact that I worked for you last summer in the
the way with you was the subject of 1938--the fact that you
from John you have known me, (my little collection of
to my concern, the fact that I have been in the
this investigation asked that I have you and other things

sent a check investigation done for an investigation.
John has and I am grateful of getting the position. They
from this year. The subject is about twice these things
see from this of the country. The offices have been expressing
the, with the offices of the FBI. One goes along and
administration. The duties consist of the General "F.B.I."
administration as a subject investigation for the FBI. I have
something else I had in an investigation with the department of

Wrote you that you had at least some opportunity to know
and if the matter was not urgent and immediate, I
the morning. If you had been paid been absolutely asked
were out of town but that he would give me your address in
you to write another letter for me. With you me that you
the fact of imposing upon you again to the extent of asking
I called with you to indicate if you were in town, with

Dear Dr. Allen,
