

August 29, 1941.

Mr. Neal M. Wherry,  
Principal,  
Liberty Memorial High School,  
Lawrence, Kansas.

Dear Neal:

I have your good letter of August 11th in which you call my attention to the fact that you would like to observe "Boys and Girls Week" on April 27th with a luncheon at the high school.

I am making this notation tentatively, and will submit it to John Andrews, the president, in the very near future.

I am very sure that the Rotary Club will be happy to accept your fine invitation and to enjoy the program done by your boys and girls.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
