Dear Dick:

I am mighty happy to have your letter of March 15 in which you enclosed a cartoon of "Skipper."

At our dinner table the other day Mrs. Allen had this cartoon, as Bobby always gets the Vedette, and we discussed Skipper and Odd. We are happy that both boys are doing so well.

In fact, Mrs. Allen, I am sure, has written you a letter congratulating you on Skipper's good work. She takes a personal interest in both boys because they are Culver men, or at least Skipper is one and Odd is on his way. I know of no one who has such a deep seated interest in Culver as Mrs. Allen. She thinks it is the grandest place in the world, and I find myself agreeing with her when it comes to a fine environment for boys.

Yes, I see Odd quite often; as a matter of fact, I went down to see one of his Junior High School games and the boy really looks good on the basketball court. I am writing Skipper a note congratulating him on being selected as a co-captain.

Our team was potentially not very strong this year and I was more than delighted to get a tie out of it. We had the most frail and least powerful team that I ever coached, yet they had a great fighting heart and for us to get a tie more than pleased me.

Everything is going along beautifully here in Lawrence and I trust that the Tucson weather is much to your liking.

With all good wishes for your success, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
