Dear Dr. Allen:

Your cordial letter received and we are planning on coming to Lawrence March 7<sup>th</sup> to see the Okla. game.

Please don't go to any trouble. We'll just come and look around, visit with what old friends there are at hand and find out just what will be the best thing to do in getting Edward settled. We also have friends in K.C. that must be seen so you see this trip is quite an event with the game as the high spot.

I'm dropping Mr. Hitt, who wrote me, a line, hoping to see him Sat. morning. I believe that Walter would like to have Edward affiliate with D.A.E. but that will have to work itself out.

So I'll send our best wishes for you and yours and hope we will be saying them March 7<sup>th</sup>. There will be four of us, Edward, Ceelia, Walter and

P.S. We appreciate very much your interest - W.P.W.

'Yours truly'
