

both cracker sack players as
you can see by 100g. Due to
colon spirit and confidential
ballyhos by O & W coach etc.
they enrolled at U. — Both
come from families hard pressed.
Lernheiser has a widowed mother
(lost 3-4 years) and couple of bro +
sister no income for family except
a modest pension. 100g's family
not much better, has a brother
about to be drafted, and hear
if he is, 100g will have to leave
school to help support rest.
Both finished school without
a nickel, and with a few
donations etc from local
people and promises of more
at U. they started out.

Lernheiser wanted a engineering
course, he started that, 100g
took easier one, O & W & d. Both
roomed together. Lernheiser honor
student here in H.S. 100g got by.
