

be Schlagle's move to see me. Mr. Van
Cleave was going to phone you before he did
or said anything, but he intended to
wait until after your Iowa State game.
I'm to call him today or tomorrow for
his final advice.

No news. The snow has everything (but me)
under cover. He! I'm going over to the
Municipal Auditorium tomorrow nite
to see Marbly Budge Fildes, + Hardwick
strut their stuff.

Thanks so much for your kindness.
your pep talk really did me some good.
At least I've been full of vim, vigor, & fight this
past week. Everything has run pretty smoothly
tho' so there's been no stew, no squint, no
squawk.

Best of luck Monday nite.

Sincerely,
Mac J. Hoody
