Mr. Neal M. Wherry, Principal
Liberty Memorial High School
Lawrence, Kansas

Dear Neal:

Permit me to thank you for your thoughtfulness in mailing me two football tickets to the Lawrence High School game, and also permit me to congratulate you and your coaching staff on the wonderful exhibition that you displayed against Newton last Friday night.

I was sorry that I was unable to witness the game, having had a previous engagement, but I certainly want to see the battle on October 17, if at all possible.

Good luck to you against Topeka this week end.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
