Dr. F. C. Allen
Department of Physical Education
University of Kansas

Dear Dr. Allen:

This will acknowledge the well-documented protest against usurpation of the gymnasium by the music competitors last Friday. I shall be glad to call to the attention of Mr. Wherry the extent of class interruption that resulted, apparently from inadequate supervision and misunderstanding about facilities available. Situations involving high school students can hardly be anticipated, but with your cooperation we shall do our best to protect you in the future.

Sincerely yours,

Executive Secretary
