Dear Phog:

We appreciated very much the use of Robinson Gymnasium for students attending the District Music Festival last Friday. It was really much in use, I understand.

You should understand that this event was first invited to Lawrence by the School of Fine Arts of the University and that all requests for use of buildings and rooms were taken care of by that school.

I am only sorry that you were not better and earlier informed of our needs and wants. If the Festival comes to Lawrence under similar management again next year, I shall myself assume responsibility to see that you are informed well in advance of the requests that we will make.

Cordially yours,

Neal M. Wherry
