Justice Hugo T. Wedell,
Kansas Supreme Court,
Topeka, Kansas.

Dear "Dutch" :

Thank you for your kind letter of the 12th instant. I am glad to have your reaction in regard to the scholastic eligibility of our freshman basketball players.

Yes, indeed, I receive marvelous cooperation on the part of the faculty in sending out these inquiries. In fact, some of them have expressed their enthusiasm for the plan.

At the first opportunity I have to get up to see you I am coming in for a visit. We play in Oklahoma City this coming Friday night, and then it will be necessary for me to be in Kansas City for the semi-finals on March 22 and 23, and much of the time the following week in connection with the conventions and the N.C.A.A. basketball finals on the 30th. However, I am asking my secretary to call to my attention the fact that I am to go to Topeka just as soon as I can get away.

With best wishes, I am

Cordially yours,
