

November 10, 1939.

Mr. Bill Wade,
Rexford, Kansas.

Dear Bill:

I was happy to hear from you on October 20, and glad to know that you are working on a cattle ranch. I'll bet you are a tough hombre.

I am sorry that you misunderstood last year how many hours one should have to be eligible. You know, Bill, we have it printed right in the stairway of the gymnasium and every time you went down to dress for practice, if you had stopped to look at those gilt letters you would have been informed as to how many hours it takes to be eligible the two preceding semesters.

If you want pills you go to a drugstore and if you want money you go to a bank, and if you want to know about eligibility don't go to the dean of the Pharmacy School.

However, I am glad that you are planning on coming back next year. If you have some prospects for wheat next year and if the prices are to be what they look now, I am sure the future will hold good tidings for you.

Yes, we have started basketball practice and our varsity-freshman game is scheduled for November 24, as a part of the Homecoming program. Our football game with Missouri is on the 25th. We meet the Oklahoma Aggies on December 5th and from that time on we will have busy days. Ralph Miller's knee is much better and if he does not get hurt in football we should have a better time than we had last year. I am sending you one of our basketball schedules, which is not yet complete. We have 17 games scheduled and are permitted to play 20.

I will be happy to hear from you after you have listened to one of our games on the radio.

With lots of good luck in all your endeavors, and hoping to see you next year, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
