Dr. F. E. Wrightman,
Sabetha, Kansas.

Dear Dr. Wrightman:

It was a great pleasure to receive your letter of the 26th ultimo, and it was an added pleasure, I am sure, for you to have Fred at your alma mater. And say, is that Missouri football team going places!

I do hope Fred will fill your heart with the desires that you have for him. Give him my very best and tell him that I will be pulling for him one hundred per cent. This boy Walters from Paola is a real sprinter. He will give Kansas plenty of trouble.

After all, Doctor, some of our heartaches and disappointments turn into real joys and blessings. I am very sure that if you had all that your heart desired you would have Fred at the University of Missouri, passing in all of his work. So here's hoping that everything comes out as you would have it.

I am immensely pleased regarding Floyd Hanson. Mrs. Hanson, his helpmate, is a very personable little woman and I am very sure that she will do everything she can to make Floyd's work a complete success.

Give Mrs. Wrightman and Rosalie our best regards. With all good wishes, I am

Fraternally yours,
