Wyandotte High School,
Kansas City, Kansas.

Dear Maxyne:

We have asked Mrs. Webster to put aside a ticket for you for the Iowa State game, and I hope we will have a chance to say hello when you come over tomorrow.

I am interested in what you say about horseback riding. I wonder if you would tell me if it is offered for physical education credit; if so, how much credit is given, what is the fee for rental of horses, and so forth. We have been discussing the possibility of offering "Equitation" for credit as one of the physical activity courses, and for this reason I am interested in what other schools offer.

In presenting the course to Dean Lawson for the approval of his faculty, he says that equitation sounds awfully high-falutin'. Personally, he prefers just plain horseback riding. He says, "I can just imagine students saying, 'Here I go for my daily equitation!'".

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
