Mr. A. E. Woestemeyer,
Peoples State Bank,
Lawrence, Kansas.

Dear Woeste:

I wanted you to know that I did appreciate Al asking me to the fish fry Sunday evening. I perhaps would not have accepted if you had not advised me before hand that it was on. In fact, I accepted more on account of you than I did on account of anybody else. You did a swell job in handling the situation.

Kindest regards.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
