

Gates Center, Kansas.
July 18, 1939

Dear Dr. Allen,

I do want to thank you so very much for your letter sent to me while I was in the hospital. It certainly did help. No one really knows how cards and letters help until they are in such a position as I was. They were better than medicine.

Deen thinks so much of you and respects you so highly that naturally it was wonderful to me to think you would take time to write me.
